WALLED GARDENS

Welcome to Easton

Easton is a hidden haven. Down a winding country road, nestled among the trees and parkland of a centuries-old estate, you'll find a beautiful and peaceful place that has a secret... it is a destination for Christmas shopping!

The festive season can often feel rushed and impersonal, ordering online for speed. At Easton, we believe the magic of Christmas is made in moments together, and we offer somewhere to take your time and enjoy choosing presents with friends.

In the build up to Christmas, we can help make special moments along the way.

Our gifts are all available to purchase online, or even better come and visit us to see all that we have offer!

Garden lovers will love our tried and tested range of equipment and tools, perfect to add to our famous sweet pea seeds; every variety is grown and harvested here in the Gardens and beautifully presented in a keepsake tin.
